

PCN NO. : PCN20251113113

Customer: 客户名称: MEC		Description: Automotive Electronic Coated Power Inductor 产品名称: 汽车电子涂覆式功率电感	
Customer P/N: Involves all of your recognized material numbers 客户料号: 涉及贵司所有承认料号		Sunlord P/N:ASWPA Series 顺络料号: ASWPA 系列	
1) Before Change 变更前: The automotive electronic coated power inductor series products are manufactured at the Shenzhen factory of Shenzhen Sunlord Electronics Co., Ltd. (Sunlord Industrial Park, Dafuyuan Industrial Zone, Guanlan Subdistrict, Longhua District, Shenzhen). 汽车电子涂覆式功率电感系列产品在深圳顺络电子股份有限公司深圳工厂(深圳市龙华区观澜街道大富苑工业区顺络工业园)生产。			
2) After Change 变更后: a) hazardous substances involved or not : <input type="checkbox"/> Yes <input checked="" type="checkbox"/> Not    b) product performance changed or not: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> Not Description of the state after the change: a) 是否涉及有害物质: <input type="checkbox"/> 是 <input checked="" type="checkbox"/> 否    b) 是否涉及到了产品性能的变化: <input type="checkbox"/> 是 <input checked="" type="checkbox"/> 否  变更后状态描述: The automotive electronic coated power inductor series has expanded production lines at the Dongguan factory (Sunlord Industrial Park, Fenghuanggang, Tangxia Town, Dongguan City) to meet simultaneous delivery requirements at both locations. 汽车电子涂覆式功率电感系列产品在东莞工厂(东莞市塘厦镇凤凰岗顺络工业园)建线扩产, 满足两地同时交付。			
3) Reason for the change 变更原因: In order to continue to increase capacity demand and meet business continuity,additional production lines are required at the Dongguan factory to meet expansion needs. 为持续增加产能需求及满足业务连续性, 需要在东莞工厂新增线体满足扩产需求。			
4) Change plan 变更计划: a) New line body available for customer review date: 新线体可接受客户审核日期: 2025年12月30日 Planned implementation date of the change 上述的变更预计实施日期: 2026年4月10日 b) Marking method for the change 变更品标识方法: Mark 'First Lot, Product after Change' on the shipping label and COC when the first shipment after change. 第一次出货时, 出货标签及COC上标注“变更初物”字样。 c) other matters need explanation 其他需说明事项: N/A			
5) Statement of the change 变更申明:  Content of the statement 申明内容: There are no changes to product performance, materials, manufacturing processes, or testing methods before and after this change. There are no hazardous substances involved, and there are no quality risks. Please feel free to use our products with confidence. 本次变更前后产品性能、材料、过程工序、检测方法没有变化, 不涉及到有害物质、不存在质量上的风险, 请贵司放心使用。			
6) Contacts 联系人:  The window for PCN cases is our customer representative.please contact her/him first and send email to:juejing_yan@sunlordinc.com for help at the time. PCN事项的对应窗口是对应的客户代表。您可以第一时间联系他/她并且同时发送邮件到: juejing_yan@sunlordinc.com请求帮助。
