End of Life Notice

We would like to notify that ABC Taiwan Electronics will discontinue the production of DP2016-E series from now on and replaced with EHI2010-S series. The reason is that that the order volume for this type of product is low, and the market demands does not reach the economic scale of production.

Affected Products :

ABC's DWG NO.	Last Time Buy	Last Shipment	Replacement	Substitution Level	Remark
DP2016-E	From now on	From now on	EHI2010-S	1	/

Last Time Buy (LTB) option :

ABC Taiwan Electronics will support Last Time Buy (LTB) orders received on or before the date listed above (LTB Date). LTB orders for all affected products must be in place in total by LTB Date. Deliveries will be scheduled and advised accordingly after receipt of LTB orders. However, unexpected events might prevent ABC Taiwan Electronics from supporting partially or fully on the LTB orders. If such an event occurs, we will notify you of our best support plan as soon as possible.

Please accept our sincere apologies for any inconvenience it may cause, and thank you very much for your understanding.

Best Regards

ABC Taiwan Electronics Corp.

Cedric Hsu p.p. Francis Fan.

Substitution Level

- 1.=Package and characteristics are mostly same or better, not necessary to change other circuit to replace.
- 2.=Package and characteristics are mostly same or better, but some modification of the other circuit is necessary
- 3.=Characteristics are same or better, but, package/pin arrangement are different, so the other circuit modification is necessary.
- 4.=Other reason --- No direct match of package and characteristics for this product, we recommend finding other components for replacement.
