

Discontinue product notice

Thank you very much for your great support for Kamaya Electric Co., Ltd. all the time.
Please be informed that Kamaya is going to discontinue the following products due to raw material supply issue.
Your confirmation would be much appreciated.

Note

1. Product
CHIP RESISTOR, GENERAL PURPOSE, HIGH PRECISION
Kamaya P/N are RNC20 and RNC32
2. Reason
Aging production facilities and jigs and tools, and aging employees make it difficult to continue production.
3. Schedule:

Part number	Customer feedback (Last buy order)	Last shipment
RNC20	2027/1/31	2027/3/31
RNC32	2027/1/31	2027/3/31

4. Last order date
Orders will be closed at the end of Jan, 2027.
The production end date has not yet been determined, but will be announced separately
when we expect to complete production of the required number of units.
5. Suggestions for alternatives
We have confirmed that the WF08U and WF12U series manufactured by Walsin Technology Corporation,
our affiliate company, have equivalent performance, and we propose to replace them.

Kindly please contact KAMAYA Sales representatives if you need to issue Last buy purchase order
of the above products.

Your kind understanding and corporation is really appreciated.

Thank you very much.
