

PCN Guangzhou Plant Label Format Revision

To unify PSA product brands, standardize label format and conform to customs requirement, Walsin will remove "POE" wording from all MEC labels with goods made by Guangzhou plant.

Brand revisions will be:

Disc capacitor AC/CC/RD=> "POE" will be changed to "UK"

The brand marking "UK" is registered and owned by Walsin Technology.

This label change will not make any impact or differences on the products, quality and characteristics
